

Business Card

ProductivitySM Points Company Rewards Program

Earn one Productivity Point for every \$1 spent on your business' cards when you enroll your company in this optional program. **No annual fee.** Point caps of 15,000 points per month and 180,000 points annually.

Our redemption options give you what you want, when you want it. You can redeem points at any time, or save for more valuable rewards. Our online catalog is always up to date.

Bonus Points

Receive 2,000 bonus points upon enrollment. With redemption options starting at just 5,000 points, your company could be nearly half-way towards earning your first reward!

Point Tracking

Your Productivity Points are tracked automatically. You may review your point totals and reward options at any time by visiting our website or calling the redemption center. You will receive a quarterly statement summarizing points earned and redeemed.

Travel

Redeem your points for discounts toward airfare or fully paid tickets and cruises with no black out dates.

Airline discounts start at 10,000 points for \$100 off any airfare. Fully paid, roundtrip tickets start at 25,000 points. Cruises for two start at only 50,000 points!

Merchandise

Redemption options start at 7,500 points. Points are good for a variety of items through the catalog: MP3 players, sporting goods, jewelry, appliances and much more.

Certificates

Redemption options start at 5,000 points for a certificate of \$50 or more to a variety of your favorite retailers, such as Circuit City[®], Old Navy and Home Depot[®].

Cash

Redemption options start at 15,000 points for a \$100 check sent directly to you upon request. Save points for a greater per point redemption value - 55,000 points may be redeemed for a \$500 check.
